Volunteer Committee

Ladies of WITAN:

The Volunteer Committee is pleased to provide you with the attached document which is a consolidated overview of WITAN's committees, elected positions, and appointed positions. It's an abbreviated description of the committee/position purpose along with a general idea of the time commitment that one could expect to contribute while holding the position or serving as a "member" on the committee. Note that the time commitment for the Committee Director is in addition to that shown in the attached.

Of course, everyone's different so this is intended to be a guideline that may prove helpful as you begin to think about the choices that you'll make next month for which committee you'd like to be assigned to and whether you have an interest in being considered for an appointed or nominated position.

We'll talk about this during next month's Cluster Meetings and if you have any questions about a committee or a position, it's best to talk with someone who's currently in that position or has held it in the past. Be sure to check out next month's Diary for important information about January Cluster Meetings.

Thank you for all that you do for WITAN and I wish you all safe and Happy Holidays!

Sincerely,

Jeanette Foster
Volunteer Committee Director
