WITAN's Imagine Ball

Did You Receive Your

Invitation?

Hello Ladies of WITAN:

We have recently learned that there seems to be 'clusters' of our members who have **not yet received their invitation** to our April 24th Imagine Ball *A Night in Paris.*

If you have not yet received your invitation, please email Becky Vieltorf at rvieltorf@gmail.com and let her know.

If you invited friends and family and you are aware they did not receive their

invitation also, please let Becky know at ***rvieltorf@gmail.com*****.**

Please include in your email where you live as certain zip codes in particular have never been delivered.

We will make sure you receive all the details on this fabulous evening so you don't miss out!

Thank you,

Imagine Ball Committee
