

You Can Support WITAN's 2021 Imagine Ball

Dear Sustaining Members of WITAN,

As you know, our 2021 Imagine Ball, *A Night in Paris,* is just weeks away, and we really need your support this year more than ever. The WITAN Civic Committee has received $210,375 in grant requests. Due to this unprecedented year and the circumstances surrounding it, many organizations are suffering from a lack of support through volunteerism, donations, and services offered. Many of these organizations have had to make adjustments in response to the pandemic and have worked diligently to come up with creative and safe ways to deliver services. WITAN's generous support is very much needed this year!

We are a long way from our goal due to the loss of our premier fundraising event, the beloved French Market. Our committee has put an enormous amount of work towards the success of *A Night in Paris*. We remain dedicated to raising the funds that will allow us to continue our legacy of giving to our community through WITAN'S Community Projects Fund. I am passionate about WITAN's mission and stand firm in my commitment to supporting the origination's ability to give back to these most deserving organizations.

As legacy members, you have given so much of yourself in dedication to WITAN. You are the backbone of our organization, our mentors to which we

are forever grateful. We thank you for your past years of service and fundraising in support of Community Projects. We understand that there is a hesitation to attend the Imagine Ball due to the current pandemic. Yet we ask for your support with a donation to our Community Projects through the Imagine Ball, in one of two ways:

- A financial donation for community projects
- Purchase raffle tickets for a chance to win a trip for two to Las Vegas (NO expiration date)

Below is the GiveSmart link which will make your gift giving easy:

You will receive recognition for your financial donation in the event program.

WITAN thanks those sustainer members who have already given and thanks the whole of the sustainer membership for their generous consideration of supporting our Community Projects Fund through the Imagine Ball.

Sincerely,

Becky Vieltorf
2021 Imagine Ball Director
