

WITAN Imagine Ball

Needs Your Help

Hello Ladies of WITAN:

We are so excited that our largest fundraiser is only a few months away and we cannot wait to safely come together for some camaraderie, dinner and an exciting dueling piano show, all while raising funds for our Community Projects Fund.

To ensure the success of Imagine Ball requires a well put together **Silent and Live Auction and we need your help!**

We are still actively searching for donations in this difficult time of online requests and no in-person events and these are easy ways you and/or your friends can assist.

Clusters or Committees might consider putting a basket together as we did in the

past! No item is too ***small***, we have some fantastic basket wizards who can put anything together with extra pizazz!
