WITAN *News From Your*

Volunteer Committee

From the Volunteer Committee,

Greetings Ladies! **Below is the link to the overview document that was discussed during the Cluster Meetings.** It provides an overview of each of WITAN's committees and positions, along with the time commitment one could expect to contribute as a "member" of the committee. Note that the Director's time is in addition to that reflected in the document.

You may find this document helpful as you consider which committees and positions you'd like to be considered for next year. You could also reach out to the committee members/Directors or those who currently or previously have held the positions for additional insight.

Thanks for all you do for WITAN and we look forward to receiving your responses on the electronic forms **by Valentine's Day (Sunday, February 14th).**

Thanks,

Jeanette Foster
